THE SOLDIERS POINT MARINA NEWSLETTER

## - AUSTRALIAN MARINA - *Hall of Fame*

Soldiers Point Marina takes great pride in being recognised as a leading Australian marina after being inducted into the prestigious Australian Marina Hall of Fame by the Marina Industries Association at the Marine15 conference held on the Gold Coast earlier this year.

"The Hall of Fame was created to acknowledge marinas that have consecutively won Australian Marina of the Year and are therefore ineligible to re-enter the competition for a period of four years" said General Manager Darrell Barnett CMM.

"We are thrilled with the recognition as it fits nicely with the marina's mission statement, to exceed the expectations of our customers, whom we define as guests, partners and fellow employees. We accomplish this by committing to our shared values and by achieving the highest levels of customer satisfaction, with extraordinary emphasis on the creation of value" he said.

# OUR TWO STUNNING RESTAURANTS UNDERGO MAJOR TRANSFORMATIONS

## THE DECK CAFÉ/WATERFRONT BAR

With their valued customers in mind, The Deck Café/Waterfront Bar had a major refurbishment over the winter period, installing a new louvered roof that provides all-important weather protection. Blocking out the heat in summer and attracting the natural warmth and light in winter will bring an even more comfortable experience to diners. Along with stylish new tables, chairs and new clear blinds and their Mediterranean influenced menu the whole Pappasavas family will ensure your waterfront dining experience, as always will be unforgettable.

## THE POINT RESTAURANT

Renowned Newcastle interior designer Carmel Gibson from CarMel Interiors, was recently engaged by Julie and Paul Simpson to formulate a conceptual design for a sophisticated and contemporary makeover of the restaurant, and the results are simply stunning. Together with Julie's eye for detail and taste, the restaurant has had a total facelift with new paintwork, flooring, tables and chairs, lighting, sofas to relax in whilst enjoying a cocktail overlooking the marina and fresh modern bathroom facilities.

One thing that hasn't changed however is the seasonal and award winning menu carefully created by Paul. So, if you enjoy fine dining at its best, The Point Restaurant specialising in local fresh seafood and located on the upper level of the marina is the place to be.

Now open 7 days

*Every afternoon between 3pm-6pm is cocktail time on the balcony of The Point Restaurant overlooking the marina – the perfect place to relax. But on Sundays you can listen to live music also and unwind and get ready for the week ahead.  
Delicious bar snacks available.*

## MARINA SUPPORTS THE RFS

The Soldiers Point Rural Fire Service (RFS) has a new addition - a 7 metre mono hull, eight person fire boat.

The boat currently on loan, is fully equipped with firefighting equipment including the latest in communication technology, bushfire hoses and radar and is used to transport firefighters to a fire, or to assist with boat fires within Port Stephens.

Soldiers Point RFS Captain Dave Brown said there is value in having a fire boat in this area with more than \$125 million worth of vessels at the local major marinas.

"The Soldiers Point RFS do a wonderful job of protecting our homes and vessels, we are more than happy to support them by donating a marina berth free of charge, waiving marina fees and providing them with 24 hour access" said General Manager Darrell Barnett.

## MARINA PROFILE

### Bill McDonald

A huge congratulations to long term Soldiers Point Marina customer Bill McDonald founder and owner of McDonald Jones Homes after being awarded the 2015 Sir Phillip Lynch Award of Excellence the highest possible honour by the Housing Industry of Australia (HIA).

The award pays tribute to Mr McDonald's vast achievements including his leadership, innovation, generosity and valuable contributions to the industry.

Starting his building career as an apprentice carpenter in Newcastle in 1965 Bill started his own business after two decades on the tools. McDonald Jones Homes is one of the fastest growing building companies in Australia after recent expansions into Queensland and the ACT.

Bill is a life member of the HIA joining the association over 25 years ago. He was the region's inaugural president, a role he held for seven years.

One of Bills most outstanding contributions is his community work. This includes the establishment of the McDonald Jones Charitable Foundation, which generously supports the Hunter Medical Research Institute, the Westpac Rescue Helicopter Service and the Maitland Hospital Foundation.

Confronted by a medical scare in 2005, Bill decided to have more fun in his life and together with his business partner purchased their first boat - a Sea Ray 240, still at the marina.

A few boats later Bill purchased a Riviera Sports Yacht 5000 which is currently moored at Hamilton Island.

"With my boat in Queensland at the moment I decided to purchase a holiday house at Soldiers Point as I love being near the marina, its ambience and all it has to offer. I tell everyone I see that Soldiers Point Marina is sensational" said Bill.

"And by the way.....that medical scare fortunately turned out to be a false alarm!

## EAST COAST LUXURY AQUATIC TRAVELLERS CLUB (E.C.L.A.T.)

"We lived in Sydney for many years before moving up to Port Stephens. Our favourite area for boating in the Sydney region has always been Cowan Creek and the lower Hawkesbury River with beautiful sculpted sandstone scenery. Now that we keep our boat at Soldiers Point Marina we enjoy being members of the ECLAT Club so that we can sail down to the Hawkesbury area during the summer holidays and use Bobbin Head Marina as our base of operations. At Bobbin Head we get the same excellent service that we do at Soldiers Point. This allows us to really enjoy the very different anchorages and environments that these two areas offer. The ECLAT Club is a brilliant idea and we would recommend that residents of all member marinas take advantage of the reciprocal opportunities to experience some of the best marinas and boating areas along the East Coast of Australia"

Bruce & Trudy Pease - Hylas 46 'LEPRECHAUN'

## THE INAUGURAL SOLDIERS POINT MARINA -Scholarships Announced-

As a responsible corporate citizen Soldiers Point Marina values and appreciates the role of our young people in this community and provides many opportunities through the Real Futures Foundation to our youth. The marina has for many years provided sailing lessons to students from Tomaree High and St Philips Christian College at no cost to the school or the student.

The Marina also decided to offer opportunities to young people in the wider Port Stephens community and establish the Inaugural Soldiers Point Marina Scholarships for school leavers aged 16-19 years of age to further their education at TAFE, university, apprenticeships or training.

"We had many applications for the scholarships and it was difficult to reach a decision but these four young people are exceptional and a wonderful representation of our young people. The \$750 they each received will really give them a kick start for their future learning in a practical way" said Marina General Manager Darrell Barnett.

#### SCHOLARSHIP RECIPIENTS:

**Alannah Newell, Year 12 from Irrawang High School** – to study Bachelor of Criminal Justice at Charles Sturt University and an Associate Degree in Policing Practice

**Molly-Rose Schwager, Yr 12 from Irrawang High School** – to study Bio Medical Science Medicine with the end goal of becoming a gynaecologist or obstetrician

**Connor Jacobs** – currently studying Certificate IV Surveying at Hunter TAFE

**Jordan Halprin, Year 12 Tomaree High School** – to study for a Bachelor of Design (Architecture)

# Soldiers Point MARINE CENTRE

"Winter Service" Promotion draws lots of entries at Soldiers Point Marine Centre

Long-time marina customers, Judy and Alan Davis from Newcastle have won the BicSport Stand up Paddle Board (SUP) as part of the Soldiers Point Marine Centre (SPMC) Winter Service Promotion.

"Close to 80 people were entered into the competition with a ticket being issued for every service undertaken from May to August" said Director Jennifer Busch who drew the winning ticket.

On being advised of her win, Judy was very happy to have won "her first prize ever". She is keen now to learn how to use the SUP and looking forward to playing with it when the weather is warmer. IN OTHER NEWS: SPMC now opens from 9am to 3pm on Saturdays. Samantha Ripley has joined SPMC as our new Receptionist and will be taking all calls and bookings for servicing. Samantha will be in the shop on Saturdays, so please drop in to say hello and welcome her to the team.

SPMC announces that it has become the Exclusive Distributor for Sales & Service of Smith-Root products in Australasia. Smith-Root specialise in Electrofishing equipment used mainly in Fisheries, Science and Research. Greg Busch has a long history and association with Smith-Root and we are excited to be representing Smith-Root in Australia, NZ and Asia.

## Introducing LED Skin treatments – the power of light therapy

I am excited to bring you radiant, more beautiful skin with the power of light therapy. LED (light-emitting diode) therapy works to firm, tighten and rejuvenate the skin by actively promoting the production of collagen. These target a diverse range of common skin concerns including acne, wrinkles and signs of aging on the face, neck and décolletage. Blue light works to reduce acne causing bacteria. Red light increases blood circulation to produce collagen synthesis & healing. Targeted LED treatment solution for skin that looks, and feels, more radiant and beautiful. Discover the power of light therapy today!

### INTRODUCTORY OFFER

## WHERE ARE THEY NOW?

### UPDATE ON CLIVE ROLF AND "RECIFE"

Following our story in the winter Scuttlebutt, many of our readers have been asking after Clive and his planned trip up to the Pacific Islands to become an island trader.

After leaving the marina mid-August and making a brief stop in Brisbane and Noumea for minor repairs Clive finally arrived in Port Vila at the beginning of September, after experiencing some not great weather conditions on the way.

Wading through official paperwork is never fun but appears now that all is in order and Clive is happily settling into his new life.

### CHRIS AND ROS COY - ENJOYING THE BEST OF BOTH WORLDS

*Chris and Ros Coy enjoying time on Eliza 1 at Seafari – music on the water*

Noticably absent from the marina at the moment is the beautiful boat Eliza 1, a Halverson 42 Coastal Cruiser who has been moved to Hope Harbour Marina for 12 months, by owners Captain Chris Coy and his lovely wife Ros. The couple with their beagle Mele, have been fixtures around the Soldiers Point Marina since 2006 when they relocated from Victoria. Previously, if Chris and Ros have not been overseas during our winter months, they usually take Eliza 1 up to Queensland and feel that by leaving her there for a year it gives them easier access to explore areas around Mooloolba etc without the two week trip up and back. Enjoying life in their home at Soldiers Point, the gregarious couple still visit the marina with Mele to keep in touch with marina life. As a Master Mariner, Chris has served over 50 years on many different ships and has cruised the hemispheres from the Arctic circle to Antarctica. Chris is currently an instructor at The Australian Ship Handling Centre only a 40 minute drive from Soldiers Point and provides training in ship handling for Masters, Ship's Officers and Pilots – a job he loves.

I'll berth my boat here one day...
